

# New Sire Tobruk Southern Cross S15

If you are unable to make the sale this year, we are interfaced with AuctionsPlus.

## The Team

WE COULD NOT DO EVERYTHING WE DO WITHOUT OUR FANTASTIC TEAM. THANKS HARRY, KEV, LYDIA, ANGUS AND TOM AND A BIG WELCOME TO NICK

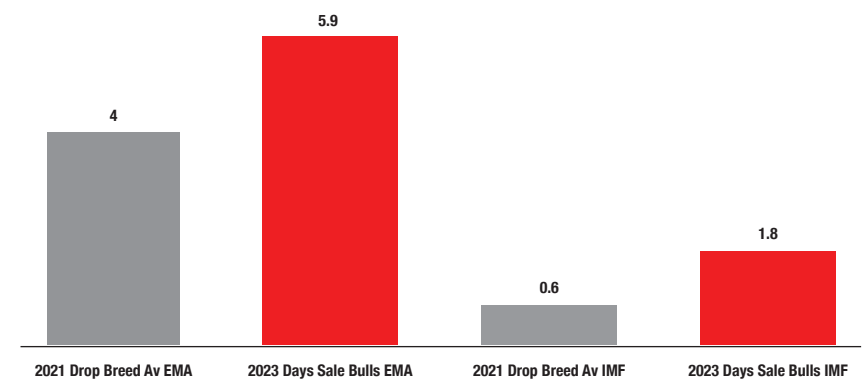

**2023 ANNUAL ON-PROPERTY SHEEP SALE**  
FRIDAY OCTOBER 6TH 2023

*Industry Leading Whiteface Genetics*

## Annual Sale Monday February 20th 2023

### CARCASE ADVANTAGE

Both EMA & IMF averages in top 10% of breed

**2023 ANNUAL ON-PROPERTY BULL SALE**  
MONDAY FEBRUARY 20TH 2023

# Welcome to Days Whiteface

This year's sale sees our sale team selected from the largest group of bulls yet. This means year on year we have been able to significantly increase the genetic merit of the offering.

With a late start to the season and a wet but tricky spring the bulls may not quite have the bloom about them compared to other years. However, in a genetic sense we continue to make progress and are proud of this year's offering.

This year's offering once again is at the pointy end of the breed for carcass traits. The offering averages in the top 10% of the breed for EMA and even higher for IMF, the sale bulls averaging in the top 5% of the breed.

Sires include new homebred sire Days King Pin Q201 who is a heifer specialist. As well as great carcass data he is a trait leader for short gestation and low birthweight, and is also in the top 1% for calving ease. His sire Days Godfather N022 once again has an attractive group of high carcass merit sons.

Days Horizon Q137 who we used as a yearling also is a high carcass merit sire. His sons will be amongst the most phenotypically attractive in the offering.

Outcross sires this year include Tarcombe Encore T053 and Wirruna National N322. We were losing bidder on Encore at the covid affected 2020 Wodonga National. He has some top end sons in the offering that were used in our herd as yearlings. He is a trait leader for 200, 400 and 600 day wt. Similarly, we were losing bidder on National N322 who is a trait leader for 200 day wt and IMF. Also he is one of the highest muscle bulls in the breed.

All bulls have been genomically tested, vet checked, semen tested and have strong vaccination histories. Videos of all sale bulls will be available on both Auctions Plus and our own website prior to the sale.

Please contact us anytime if you would like to have a look at or discuss our 2023 offering.
